

1st Grade Final Project

Plan. Make. Share.

**Finish your project and
get ready to share it.**

1

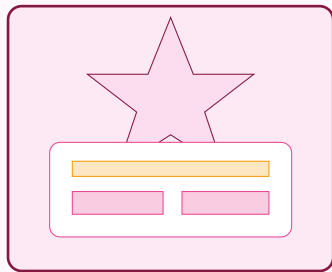

Plan it

2

Make it

3

Share it

Today's Mission

Our focus

Finish a project and get ready to share your work.

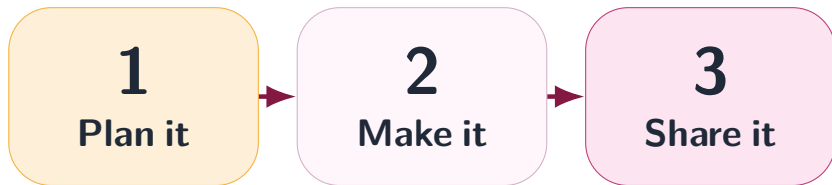

- ▶ I can finish my work.
- ▶ I can show one smart choice I made.
- ▶ I can share my work with a screenshot, demo, or quick talk.

Grade 1

Finish your project
and get ready
to share it.

Keep the next
step visible and
keep trying.

How We Will Move Through It

What to keep in front of you

- ▶ Watch the first step.
- ▶ Use the checklist or example.
- ▶ Pause, check, and keep going.

Block Coding for Each Room

Room 1

Start

Go forward

Turn left

Go forward

Turn right

Follow the path
and keep testing.

Room 2

Start

Go forward

Go up

Go forward

Go down

Use the same pattern
and change one part.

Room 3

Start

Go forward

Turn

Go to the goal

Test and fix

Try it, check it,
and revise it.

If You Get Stuck

Use this help ladder

1. Look at the slide.
2. Try one small step.
3. Ask your partner.
4. Ask one clear question.

If directions feel tricky,
check the example.

Look for the success
check on the slide.

We can share even if the
project is still growing.

Show What You Learned

I can finish my work.

I can show one smart choice I made.

**I can share my work with a
screenshot, demo, or quick talk.**

Finish strong

Save it, share it, explain it, or demonstrate it.
