# Today's Mission

## Our focus

Create something digital and make your ideas clear.

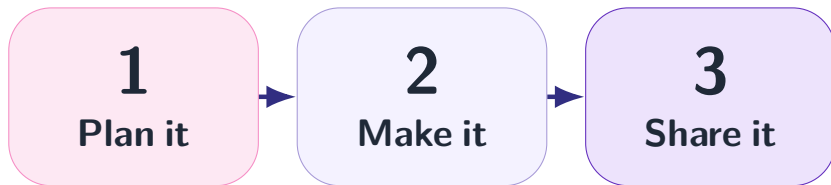

- ▶ I can finish my work.
- ▶ I can show one smart choice I made.
- ▶ I can share my work with a screenshot, demo, or quick talk.

### Grade 2

Create something digital that clearly shows your ideas.

Keep the next step visible and keep trying.

# How We Will Move Through It

What to keep in front of you

- ▶ Watch the first step.
- ▶ Use the checklist or example.
- ▶ Pause, check, and keep going.

# If You Get Stuck

## Use this help ladder

1. Look at the slide.
2. Try one small step.
3. Ask your partner.
4. Ask one clear question.

Tool navigation can  
overshadow the content  
goal if too many options  
Students may feel done  
after decorating unless  
the success criteria are

Saving early protects  
your hard work.

## Show What You Learned
