

Technology in the Workplace

Explore. Compare. Explain.

**See how technology helps
real people in real jobs.**

1

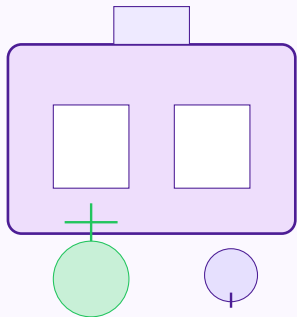

Notice it

2

Compare it

3

Explain it

Today's Mission

Our focus

Connect technology skills to real jobs and people.

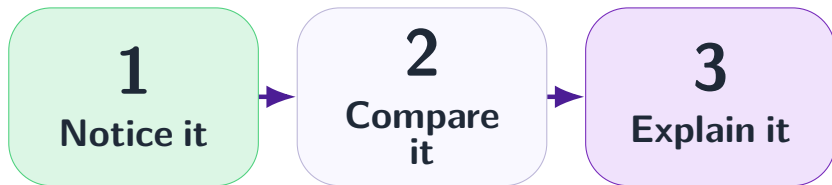

- ▶ I can finish my work.
- ▶ I can show one smart choice I made.
- ▶ I can share my work with a screenshot, demo, or quick talk.

Kindergarten

See how technology helps real people in real jobs.

Keep the next step visible and keep trying.

How We Will Move Through It

What to keep in front of you

- ▶ Watch the first step.
- ▶ Use the checklist or example.
- ▶ Pause, check, and keep going.

If You Get Stuck

Use this help ladder

1. Look at the slide.
2. Try one small step.
3. Ask your partner.
4. Ask one clear question.

Too many examples
at once can blur
the core message.

A tool matters
because of what it
helps people do.

Clear comparisons
help ideas stick.

Show What You Learned

I can finish my work.

I can show one smart choice I made.

**I can share my work with a
screenshot, demo, or quick talk.**

Finish strong

Save it, share it, explain it, or demonstrate it.
