

Algorithms at the Zoo

Piter Garcia

March 20, 2026

Quick Scan

- Grade: Grade 1
- Workbook sessions: Session 12
- Class blocks: Day 3 12:25-1:15 Gargana, Day 3 2:15-3:05 Polfleit, Day 5 12:25-1:15 Montgomery
- Reference file: algorithms-at-the-zoo.bib

School Planning Goals and Inclusion

- What is expected: New Coding Pieces | (print laminate) | Floor grid
- What we achieved: No direct transcript match is attached yet. Treat this lesson as workbook-backed and enrich it when a matching classroom transcript is available.
- What needs improvement: stronger proof, cleaner assessment notes, and tighter lesson artifacts.
- How to improve: add transcript proof, one saved artifact, and clearer success criteria.
- Inclusion focus: use visual modeling, chunked directions, predictable routines, and flexible participation roles.
