School Planning Goals and Inclusion

- What is expected: "Be a Maker" by Katey Howes | Chart paper or whiteboard | Markers | Variety of building materials: building blocks (LEGOs, wooden blocks), craft sticks, pipe cleaners, cardboard pieces (small boxes, toilet paper rolls), fabric scraps or paper | Small toy animals (e.g., plastic animals, stuffed animals)
- What we achieved: No direct transcript match is attached yet. Treat this lesson as workbook-backed and enrich it when a matching classroom transcript is available.
- What needs improvement: stronger proof, cleaner assessment notes, and tighter lesson artifacts.
- How to improve: add transcript proof, one saved artifact, and clearer success criteria.
- Inclusion focus: use visual modeling, chunked directions, predictable routines, and flexible participation roles.
