School Planning Goals and Inclusion

- What is expected: I can collect digital data to answer a question about my business (4-6.CT.2) | I can visualize data to help me make decisions about my business (4-6.CT.3) | I can use proper keyboarding techniques to type on a keyboard (4-6 DL.1) | I can write an email that is purposeful and appropriate for my audience (4-6.DL.2)
- What we achieved: No direct transcript match is attached yet. Treat this lesson as workbook-backed and enrich it when a matching classroom transcript is available.
- What needs improvement: stronger proof, cleaner assessment notes, and tighter lesson artifacts.
- How to improve: add transcript proof, one saved artifact, and clearer success criteria.
- Inclusion focus: use visual modeling, chunked directions, predictable routines, and flexible participation roles.
