

# AI Build Ideas

**Ask. Choose. Build.**

**AI helps us get ideas.  
We choose what to build.**

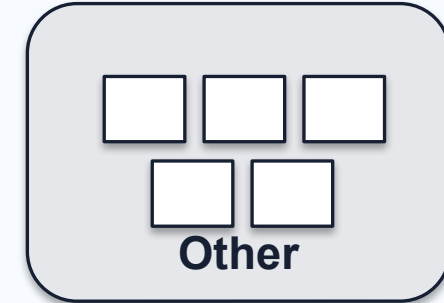

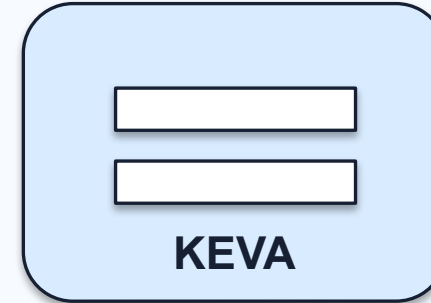

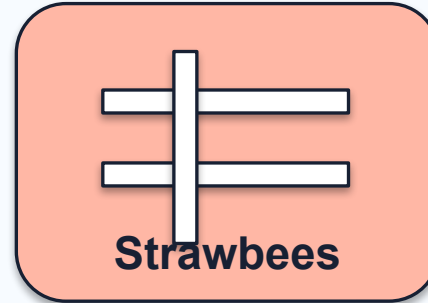

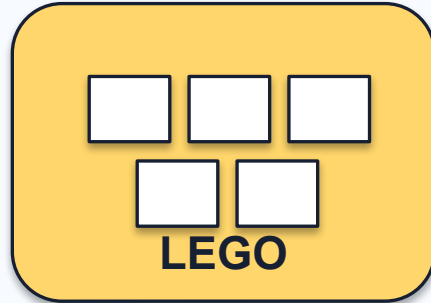

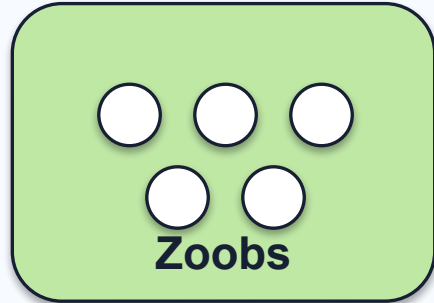

# Today We Will

---

- ask AI for ideas
- choose one idea
- build with our material
- share what we made

# What Is on Your Table?

---

Say: I have \_\_\_\_\_.

# **Our AI Rules**

---

- use the class link in Seesaw**
- do not type your name**
- do not type private information**
- AI gives ideas**
- we choose what to build**

# Step 1

---

**Open Seesaw.  
Tap the MagicSchool link.**

**Then wait for the teacher.**

## Step 2

---

**Look at your table.**

**Say: I have \_\_\_\_.**

**Use the word for your building material.**

# Copy This Prompt

---

**I have \_\_\_\_\_ at my table.  
Please give me 3 easy things I can build.  
Use simple words.**

**Copy the words. Fill in the blank.**

# If the AI Answer Is Too Hard

---

**Make it easier.**

**Use short words.**

**Give me 3 simple ideas.**

**Copy the words. Fill in the blank.**

# Pick One Idea

---

- Can I build it?
- Do we like it?
- Can we start now?

**Choose one. It can be simple.**

# Build Time

---

**1**

**Choose**

**2**

**Build**

**3**

**Fix**

**4**

**Share**

# If You Get Stuck

---

**Give me a new idea using \_\_\_\_.**  
**Make it easier.**

**Copy the words. Fill in the blank.**

# Share

---

**We built \_\_\_\_\_.**

**AI helped us \_\_\_\_\_.**

**We changed \_\_\_\_\_.**

**Copy the words. Fill in the blank.**

# Teacher Notes: NYS CSDF

---

## Aligned K-1 standards with Grade 2 bridge:

- K-1.IC.1, K-1.IC.2, K-1.IC.6
- K-1.CT.4, K-1.CT.6, K-1.CT.10
- K-1.CY.1
- K-1.DL.2, K-1.DL.3, K-1.DL.4, K-1.DL.7
- Grade 2 bridge: 2-3.IC.1, 2-3.CY.1, 2-3.DL.3, 2-3.NSD.3

# Teacher Notes: Inclusion

---

- Use visual directions and repeated sentence frames.
- Students may copy, say, or partner-type prompts.
- Roles: typer, reader, builder, sharer.
- Accept a build, photo, pointing, oral share, or partner share.
- Short predictable prompts support early readers and multilingual learners.
