If You Get Stuck

Our Help Ladder

Try the next small support before you freeze.

1. Look at the slide.
2. Look at your checklist.
3. Ask your partner.
4. Ask the teacher one clear question.

Watch for this:

- ▶ Some groups need support organizing materials and sticking with one plan
- ▶ Explaining the design can be harder than making it without sentence
- ▶ Students may not know they are done
