

Them's the Rules!

Plan it. Make it. Share it.

Bright cues, repeated colors, and short steps help this class keep going with confidence.

1

Pick a plan

2

Make it

3

Show it

What Are We Doing Today?

Our Goal

Variety of slides

Success looks like this:

- ▶ Variety of slides
- ▶ I can make or improve something.
- ▶ I can show my learning.

Grade 1

What You Need

READY

Get set

- ▶ Begin by naming the lesson purpose and the success condition
- ▶ Model the first step before independent or partner work starts
- ▶ Pause once mid-lesson for a quick debug, reflection, or reset

TEAM

How we work

- ▶ Look
- ▶ Listen
- ▶ Try
- ▶ Help without taking over

**Ready body
ready brain**

Our Big Plan

1

Anchor the abstract idea in a concrete

2

Use one discussion

Show what

Keep your eyes on the color

Red means begin. Yellow means work. Green means show.

If You Get Stuck

Our Help Ladder

Try the next small support before you freeze.

1. Look at the slide.
2. Look at your checklist.
3. Ask your partner.
4. Ask the teacher one clear question.

Watch for this:

- ▶ Too many examples at once can blur the core message
- ▶ Directions can feel hidden
- ▶ Students may not know they are done

Before We Finish

I finished an important part

I can explain one choice

I can show my work

Exit move

Save it, hold it up, point to it, or explain it.
