A clearer sales goal

**By November 13,
increase weekly sneaker sales
from 20 to 24 pairs.**

Assume the same team has sold
24 pairs during a past promotion.

Which words make this goal clearer?

Fictional example • Check all five SMART criteria in Figure 2.2, book p. 21

A milestone checks progress

By October 30, sell 22 pairs in one week.

Check the weekly sales log.

If sales are below 22, examine why and adjust the plan.
